## **ALL STUDENTS EAT FREE EFFECTIVE IMMEDIATELY!**

McComb Local School is excited to announce that the USDA has extended free lunch and breakfast meals to **ALL** students **AT NO COST** through December 31, 2020 or until the federal funding runs out. This program is to give nutritious meals to students while minimizing potential coronavirus exposure.

Additional items (2<sup>nd</sup> entrée, drinks, snacks, etc.) continue to be available for purchase to those students that apply.

**FREE AND REDUCED** meal applications still need to be completed by those who qualify so you will continue to receive those benefits after the USDA waiver expires and regular meal status is re-instated.
