

McComb Elementary Students, What's Your Favorite Habit?

Make a 7 habits poster and put it in your window at home!

#InThisTogether

Show Panther Pride to our Community!

Take a walk or drive and look for posters in your neighborhood!

This year we've reviewed the 7 habits and continued to live them in our lives. Now let's show our community!!! Make a poster about your favorite habit(s) and display it in a window at your home for people walking by or driving by to see! (Can't decide which one is your favorite, then make/show more than one!!) If it is OK with your parents, take a picture of your poster(s) and send it to MESLeaderinme@mccombschool.org and we'll post it on our McComb Elementary Facebook Page and our McComb School website! Can't wait to see your posters. How many can we make

by the end of May??? Keep living the habits because great habits make great leaders!
