Public Health
Prevent. Promote. Protect.

Let's be proactive!!!! Why wait until the last minute?

To be compliant with Ohio Law:

Next year's 7th grade (age 11 or older) students will need the following required immunizations:

- 1 dose of Tdap**
- 1 dose of Meningococcal Vaccine**

Next year's 12th grade (age 16 or older) students will need the following required immunization:

- 2nd dose of Meningococcal Vaccine**

Please don't wait. Please schedule as soon as possible with Hancock Public Health 419.424.7441 (insurance information required at the time of scheduling) or your family doctor. There is no reason to wait until the summer before school starts. Get ahead and call now!!!

Thank you,
