

McComb Local School

328 South Todd Street • McComb, OH 45858 • 419-293-3979

Mr. Tony Fenstermaker, Superintendent • Mrs. Linda Clymer, Treasurer

March 31, 2020

Dear McComb School Guardians/Parents:

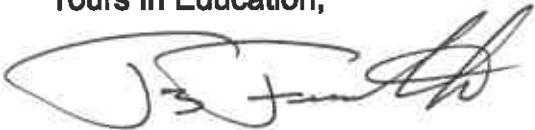

Yesterday, Gov. DeWine extended the school closure through Friday May 1, 2020. McComb School will be continuing the meal pick-up plan as well as remote learning.

We recognize the upcoming challenges ahead within your households. As a result, McComb School will be observing "No New Instruction" days April 8-15. These dates surround the scheduled Spring Break which is April 10 and April 13.

During those days, teachers will not be assigning any new instruction, homework, assignments, etc. The "No New Instruction" days can be used for students to catch up on work, but more importantly, this time is meant for guardians/parents a time to pause, and quite frankly come up for air!

We appreciate all you are doing to assist in the learning process during these unprecedented times! Continue monitoring Ohio Alerts for updated information as well as the school's website.

Yours in Education,

Tony Fenstermaker
Superintendent-McComb Local School
